District activities report and action plan:

District youth activities report for past year was presented and a future action plan was shared by Gents and Mahila DYCs from all districts. Various service initiatives taken at Samithi and district levels were also shared.

Awareness on Skill Development and Liquid Love Programs:

An awareness session on skill development program was conducted by the National in-charge for Skill Development Dr. C V R Krishna Kumar and Telangana State in-charge for Skill Development Sri P. Datta Prasad. Insight on various service activities that can be considered under the Sri Sathya Sai Skill Development program, guidelines, and tips on conducting programs at Samithi level based on local needs. The need for an increase in registrations for Sri Sathya Sai Liquid Love (blood donation) is emphasized, and the plan for expansion through the state was shared.

Impact on youth:

The program helped Sai Young Adults understand the importance of service in their lives. It filled everyone's heart with divine love and motivation to continue in His divine mission with enthusiasm and selfless service. It rightly sets the context for the next 6 months for the youth wing, with unique service activities to be rendered across the state with more impact on personal sadhana. Youth understood the importance and the very need of the PremaTaru activity, which saves our mother earth. The session highlighted the leadership qualities that youth should have in terms of His divine lens. Youth expressed their gratitude to Swami for choosing them as his instruments and providing them with service opportunities.

Concluding Remarks:

The session concluded with divine energy and enthusiasm among the youth participants to put the learning into action with love. Swami's token of love (plants) was given to all youth participants. The session ended with mangala harathi to Swami.
