In His own words

“This Sai has come in order to achieve the supreme task of uniting the entire mankind as one family through the bond of brotherhood, of affirming and illuminating the Atmic Reality (Atma – The Divine Self) of each being, to reveal the Divine which is the basis on which the entire cosmos rests, and of instructing all to recognize the common Divine Heritage that binds man to man, so that man can rid himself of the animal and rise up to the Divine, which is the goal.”

His mission was stated in a letter he wrote to his brother on 25 May 1947.

- ✓ **I have a task:** To foster all mankind and ensure for all of them lives full of bliss.
- ✓ **I have a vow:** To lead all who stray away from the straight path, again into goodness and save them.
- ✓ **I am attached to a work that I love:** To remove the sufferings of the poor and grant them what they lack.
- ✓ **I have a reason to be proud,** for I rescue all who worship and adore me
- ✓ **I have my definition of the devotion:** I expect, Those devoted to me have to treat joy and grief, gain and loss, with equal fortitude.
- ✓ **This means that I will never give up those who attach themselves to me**
- ✓ **I will not give up my mission, nor my determination, I know I will carry them out**

FOREWORD

Aum Sri Sairam!

Offering my most humble and reverential salutations to my most Beloved Lord Bhagawan Sri Sathya Sai Baba Varu. I extend my most sincere veneration and greetings to all. This is the Annual Report of our Organisation and the Trust for the period between July 2019 and January 2021.

It is emphasized that the Sri Sathya Sai Seva Organisation is not a religious organisation. The organisation has its motto as "Transforming Self to Transform the World" which is fulfilled and attained through practice of the maxim given by Bhagawan Sathya Sai Baba - "Love All Serve All" and "Help Ever Hurt Never". It serves as a platform for all to practice the aforesaid dictum to become pure and good human being by loving and serving more and more people by engaging in various selfless activities. This is the Way Forward for mankind to achieve Universal Peace and realize the purpose of human existence.

To commemorate the 100th Birthday of Bhagawan Sri Sathya Sai Baba Varu in 2025 and taking further His Mission in lines with His Vision, Sri Sathya Sai Organisations, Telangana have undertaken several initiatives for the benefit of needy and villagers in the last One year and planned activities for next 5 Years.

SWAMI has blessed us with many opportunities to serve the needy during the COVID lockdown period. Some of the activities taken up are online skill development programs for youth, Sai Janani -Tribal Welfare Program, Sri Sathya Sai Praana Mitra -A TeleMedicine Seva, Sri Sathya Sai Prasanthi Nilayam Seva and Grama Seva Mahayagna.

All wings of our Organisation have organized unique programs under the national initiative like Samyukta Sruti Sreni-Training of Devotees and members in Vedam using online platform, plantation of Dhyana vruska Saplings mostly in all samithies and many districts have taken the pandemic period to do collective sadhana of chanting Sai Gayathri ONE crore times.

We could organize vocational training in association with BIREC in several trades such as Zardosi & Maggam, Tailoring & Fashion Designing for Women and MS office , Tally with GST, Graphic Design, Mobile Phone Servicing etc for men especially targeting rural youth.

13 Youth have taken training under the Sri Sathya Sai National Leadership Program and completed the course. Let us come forward together to love & sacrifice and to work ceaselessly in becoming able instruments in making the world a better place to live in. I humbly pray to my Master, Bhagawan Sri Sathya Sai Baba Varu to bless and guide us in this task.

P. Venkat Rao

Love All

Serve All

Sri Sathya Sai Trust

Andhra Pradesh & Telangana

H.J. Dora, IPS (Retd)
Convenor

I deem it a great privilege to forward this report and place it at the Lotus feet of Bhagawan Sri Sathya Sai Baba for the year 2021.

The year 2020-21 was in all respects a very dismal year in view of the COVID pandemic sweeping across our country and the world. This has curtailed the normal movements of people from one place to another.

For any long distance journey we have to take passes from Police Departments to reach Puttaparthi. In spite of this Sri Sathya Sai Sevalal members rallied in good numbers for various service activities in Puttaparthi. It was only Swamy's Blessings and Love that enabled them to do this great Seva in Puttaparthi.

While we could not conduct the medical clinics and Mega medical camps, all our organizations rose to the occasion providing Food packets every day for about two months. With the coordination of Police department the Food prepared by sevalal for distribution to thousands of migrant labour, sick people and attendants in the hospitals. In spite of severe restrictions of movements the sevalal devotees were able to mobilize all the provisions for preparing food packets in time.

Another great initiative launched by the state organization was the **TELE MEDICINE** concept, which linked the patient to the doctor even from the remote rural areas. In the absence of regular medical clinics the Telemedicine concept became very popular & thousands of patients availed this facility & could get medical advice from various specialty doctors for their ailments.

In Hyderabad and all the districts in Telangana food packets were distributed liberally in those months. In addition we also distributed full provisions for several thousands of families whose maintenance and livelihood was affected because of the lockdown.

The Seva dal also did great work in the Tribal areas of Telangana districts with the help of the concerned Government Departments and could provide essential food items, clothes and medicines to interior tribal villages.

I am happy to note that the State President, all the District Presidents and Convenors did great job during difficult times in promoting various service activities to reach the needy in both rural and urban areas of Telangana State. I pray Swamy's blessings on all of them.

SRI SATHYA SAI TRUST, A.P.

About the Sri Sathya Sai Seva Organisation

Preamble

The Sri Sathya Sai Seva Organisations, founded by Bhagawan Sri Sathya Sai Baba in the year 1965, is a service organisation with a spiritual core and base to benefit all mankind irrespective of religion, caste, creed or sect. The Organisation serves as a platform for its members to undertake service and other activities as their sadhana (spiritual discipline) which is motivated by an urge for self-transformation to realise one's inherent divinity.

Objectives

The following extracts from the discourses given by Sri Sathya Sai Baba proclaim the purpose of the organisation:

“You must have the firm belief that the aim of this Organisation is to remove the obstacles that keep man away from God, that separate maanavathwa (humanity) from Maadhavathwa (Divinity). There can be no human; it is all Divine. This Organisation must elevate the human into the Divine.”

— Divine Discourse, All-India Conference, Prashanthi Nilayam, 21 November 1970

“The main objective of the Sathya Sai Organisation, which you must always keep before you is to help man to recognise the Divinity that is inherent in him. But, this Divinity is latent; it is veiled; it is not always apparent to oneself or others.”

— Divine Discourse, Bombay, 6 January 1975

In a revealing discourse delivered on the 23rd of February 1968 in Prashanthi Nilayam, Sri Sathya Sai Baba clearly explained the purpose of the organisation. He said:

“The Organisations named after Me are not to be used for publicising My Name, or creating a new cult around My worship. They must try to spread interest in japam (recitation of God's Name), dhyaanam (meditation) and other saadhanas (spiritual practices), which lead man Godward; they must demonstrate the joy derivable from bhajan (devotional group singing) and Naamasmarana (remembering God's Name), the Shaanthi (peace) that one can draw from Sathsang (good company). They must render seva (service) to the helpless, the sick, the distressed, the illiterate and the needy. Their seva (selfless service) should not be exhibitionistic; it must seek no reward, not even gratitude or thanks from the recipients. Seva is saadhana, not a pastime of the rich and well placed. Each one must realise his own truth. That is the purpose of all the teaching, all the curing, all the counselling, all the organising, all the advising that I do”— Prashanthi Nilayam, 23 February 1968

It is emphasized that the Sai Organisation is not a religious or a proselytising organisation. It has also not been established to preach any religion. At no point is an individual asked to follow a certain religion or rituals. On the contrary each is inspired to follow his own faith to ensure that a Hindu becomes a better Hindu, a Muslim becomes a better Muslim, a Christian becomes a better Christian and so on. In fact, this spiritual basis inspires everyone to pursue his own religion better by putting into practice Love and Selflessness. That is why the Organisation features in its emblem the symbols of the major religions of mankind.

Thus, without any distinction of religion, nationality, race, socio-economic status, either for those who work in the Organisation or for those who are served by it, the Organisation transcends all barriers leading humanity towards the ideal of 'Fatherhood of God and Brotherhood of Man'.

Membership Fees

There is no fee or subscription for membership. The concept of fees or membership subscription is alien to the Sri Sathya Sai Seva Organisations, for there cannot be any fee or subscription for one's journey towards his own Self.

Units of the Organisation

The organisation functions through its primary units called as Samithis and Bhajan Mandalis of which individuals - from different strata of society, different ethnic groups pursuing different religions and faiths - are members who are bound by the dictum of "Love all, Serve All" and pursue their own sadhana towards self-realisation following the path of selfless service to humanity.

Every member of the Organisation is expected to undertake sadhana (spiritual discipline) and abide by the following 9-point Code of Conduct which has been ordained by Sri Sathya Sai Baba for one's spiritual advancement:

1. Daily meditation and prayer.
2. Devotional singing/prayer with members of his family once per week.
3. Participation in the Bal Vikas programmes conducted by the Organisation for children.
4. Attendance at least once per month at group devotional programmes conducted by the Organisation.
5. Participation in community service and other programmes of the Organisation.
6. Regular study of Sai literature.
7. Putting into practice the principles of "ceiling on desires" and utilise any savings thereby generated for the service of mankind.
8. Speaking softly and lovingly with the very one with whom he comes into contact. Not to indulge in talking ill of others especially in their absence.

Sri Sathya Sai Seva Organisations -Telangana

Sri Sathya Sai Seva Organisations was established at Mumbai in 1965 by the Divine Directions of Bhagawan Sri Sathya Sai Baba Varu. It was also established in Andhra Pradesh and some other States at the same time. Uniquely, there were many Bhajana Mandalis functioning in Andhra Pradesh much before this. Our Sri Sathya Sai Seva Organisations Telangana has been formed in 2017 after bifurcation of AP.

We have a great fortune of having "SIVAM" - in Hyderabad, which was constructed under the direct supervision of Bhagawan and inaugurated on 4th April 1973. This is serving as a spiritual center in the Heart of

Telangana-Hyderabad continuing the rich spiritual legacy of Sri Sathya Sai Prasanthi Nilayam, Puttaparthi.

Sivam is the epitome of unsullied auspiciousness. To state in humble terms Sivam is not a mere human creation; the Divine willed it to bless the humanity. From the very conception of the structure, the selection of the site, laying of the foundation stone, supervising the construction, to the inauguration of this architectural marvel - all aspects were directly ordained, orchestrated and executed by SWAMI in person.

The principal objectives of Sri Sathya Sai Seva Organisations are:

To help the individual –

- To be aware of the Divinity that is inherent in him and to conduct himself accordingly.
- To translate into practice in daily life, divine love and perfection; and therefore
- To fill one's life with joy, harmony, beauty, grace, human excellence and lasting happiness.
- To ensure that all human relations are governed by the principles of Sathya (Truth), Dharma (Right Conduct), Shanthi (Peace), Prema (Love) and Ahimsa (Non-violence).
- To make devotees more sincere and dedicated in the practice of their respective religions by understanding properly the true spirit of their religion.

How are the Objectives attained?

The above-mentioned objectives are attained in the following manner:

- By observing the four principles laid down by Bhagawan Baba, namely:
 - There is only One religion, the religion of Love
 - There is only One caste, the caste of Humanity
 - There is only One language, the language of the Heart
 - There is only One God, He is Omnipresent.
- By constant remembrance of God and looking upon all creation as a manifestation of Divinity in different forms and shapes;
- By underlining the essential unity of all religions and securing proper understanding of all religions as being based on Love;
- By looking upon all work as service dedicated to the Divine;
- By bringing to bear upon all life's problems, attitudes flowing from Divine Love, such as, understanding, compassion, tolerance, helpfulness, etc.
- By basing all actions on Love of Divinity, fear of sin and steadfast observance of morality in society.
- By engaging in spiritual, educational, and service activities, both at the individual and community level, in an organized, systematic manner, without expecting any material reward or appreciation, but solely to win God's Love and Grace.

Bhagawan himself headed the state of combined Andhra Pradesh between 1950-1971.

With the Divine Grace & Blessings of Bhagawan Sri Sathya Sai Baba, the following devotees have served as STATE PRESIDENTS of Sri Sathya Sai Seva Organisations of combined Andhra Pradesh State.

- 1.Justice Valluri Partha Sarathi
2. Sri C. Gopinadha Rao
- 3.Dr.C.S.Venugopala Rao
4. Sri B.V.Raman Rao
- 5.Prof. Kamaraju Anil Kumar
- 6.Dr.G Narsing Rao
- 7.Dr.N. Anjanaiah and
8. Sri S.G.Chalam

Sri P.Venkat Rao is current State President of Sri Sathya Sai Seva Organisations-Telangana

With blessings of Bhagawan Sri Sathya Sai Baba varu, Our Organisation has been established in 31 Districts out of 33 Districts with 168 Samithies and 412 Bhajan Mandalis after new state of Telangana has formed.

With blessings of Bhagawan, we have an incredibly good team of Active Sevala above 6000 who are involved in organizing the activities mentioned above in all the Three Wings namely Spiritual, Education and Service.

We have strong Youth force of around 3000 (Both Male and Female) rendering services in the activities connected to the Youth in above wings.

Telangana Demography & Statistics - 2021

Capital City	: Hyderabad
Area	: 1,12,077 Sq.Kms.
Districts	: 33
Households	: 83.04 Lakhs
Population	: 350.04Lakhs

The largest district is Bhadradri – Kothagudem whereas Hyderabad is the smallest.

Telangana is the 29th state of India, formed on the 2nd of June 2014. The state has an area of 1,12,077 Sq. Km. and has a population of 3,50,03,674. The Telangana region was part of the Hyderabad state from Sept 17th, 1948 to Nov 1st 1956, until it was merged with Andhra state to form the Andhra Pradesh state. After decades of movement for a separate State, Telangana was created by passing the AP State Reorganization Bill in both houses of Parliament. Telangana is surrounded by Maharashtra and Chhattisgarh in the North, Karnataka in the West and Andhra Pradesh in the South and East directions.

Telangana is the youngest state in Union of India. However, as an economic, social, cultural, and historical entity it has a glorious history of at least two thousand five hundred years or more. Megalithic stone structures like cairns, cists, dolmens and menhirs found in several districts of Telangana show that there were human habitations in this part of the country thousands of years ago. Remnants of iron ore smelting found at many places demonstrate the hoary roots of artisanship and tool making in Telangana for at least two thousand years. The reference to Asmaka Janapada, part of present Telangana, as one of the 16 Janapadas in ancient India proves that there existed an advanced stage of society.

One of the first five disciples of the Buddha, Kondanna is a typical name from Telangana and though there is no exact information about his native place, the earliest known Buddhist township of Kondapur in Medak district is believed to be after him. The Buddha himself famously acknowledged that it was Kondanna who understood him properly. The Buddhist sources say that Bavari, a Brahmin from Badanakurti in Karimnagar sent his disciples all the way to north India to learn Buddhism and spread the message in this region. Megasthenes, who visited India in the 4th century BCE, wrote that there were 30 fortified towns of Andhras and most of them were in Telangana. In the historical age, Telangana had given rise to mighty empires and kingdoms like the Satavahanas, Vakatakas, Ikshvakus, Vishnukundins, Chalukyas, Kakatiyas, Qutb Shahis and Asif Jahis.

Swami's Message

భగవాన్ శ్రీసత్యసాయి ఉవాచ - “పరమపదమే అనేటటువంటిదిగానీ, గమ్యము అనేటటువంటి గానీ మానవుని యొక్క చేతియందున్నది. నేటి కార్యమే రేపు సంస్కారముగా రూపొందుతున్నది. నేటి సంస్కారమే రేపు అలవాటుగా రూపొందుతున్నది. నేటి అలవాటే రేపు సాధనముగా బయలుదేరుతున్నది. నేటి సాధనే రేపు గమ్యము అగుతున్నది. కనుక గమ్యము అనేటటు వంటిది మన స్వాధీనములో ఉంటున్నది. ఆగమ్యమును పొందటము లేక పోగొట్టు కోవటమో మన యొక్క కర్మల పైన ఆధారపడి ఉంటున్నది. ఎట్టి కర్మలు మనము ఆచరించిన అట్టి గమ్యము నేమనము చేరుతున్నాము”

“The salvation and the destination are in man's control. Today's deeds turn into mental impressions tomorrow. Today's impression forms the habits of tomorrow. Today's habits make the Sadhana of tomorrow. Today's Sadhana becomes tomorrow's destination. Hence destination is in one's control. To achieve one's destination or lose it depends on one's deeds. As are the deeds so being the destination.”

CHAPTER 4 - SRI SATHYA SAI SEVA ORGANISATIONS TELANGANA – 3 WINGS OF THE ORGANISATION

The Wings of the Organisation:

Sri Sathya Sai Seva Organisations functions under three wings viz. (i) Spiritual, (ii) Education and (iii) Service. These symbolise Worship, Wisdom and Work, respectively.

Although the nature of activities undertaken under different wings appear to be distinct or dissimilar, yet there is an inherent interrelationship amongst all the three wings. Spirituality and Service are complementary to each other. Spirituality is the motivational force behind service and service is the fulfilment of spirituality.

Therefore, spiritual knowledge must be skilled into wisdom and should be put into practice in the form of service to humanity to realise the ultimate objective for which the organisation has been established.

Thus, to successfully realise the purpose of joining the Sai Organisation, one must participate in activities of all the three wings.

Spiritual Wing:

All the activities in Spiritual wing are primarily aimed at self-transformation and ultimately with an aim of leading to Self realization. Individual Sadhana is given utmost importance.

Some of the major events focused upon, in addition to regular activities, are

1. **Sri Sathya Sai Vahini Swadhyayam**, an initiative from SSSSO, India is being taken up as envisaged by the NATIONAL SPIRITUAL TEAM in Telangana state with a stipulated time frame to complete all Vahinis before 2025 October. Already parayana of FOURTH vahini is in progress and the fifth would be taken up on TELUGU NEW YEAR DAY which is on 13th APRIL 2021.
2. Lock down time has been utilized positively with **online Bhajans, Satsangs**, Likhitha Nama Japam etc
3. Online '**Sri Sathya Sai Vratams**' have been conducted statewide on 3rd December 2020 on auspicious Karthika thadiya, the birth day of Bhagawan as per telugu calender where in more than 3000 families participated with devotion and love .
4. Mass chantings of **Gayatri and Sai Gayatri mantra**: The same is continuously taken up on a regular basis. As part of a national initiative, regular chanting of **Sai Gayatri and Samastha Lokah Sukhino Bhavanthui**.e. viswa shanti matra was taken up daily from 9 pm to 9:15 pm.
5. Paaryana of **TAPOVANAM, SATCHARITHRA** of our beloved Bhagawan has been taken up by thousands of devotees across the state and is continually in progress
6. Planting of auspicious **Vata Vruksha sapplings** at all important locations like Sri Sathya Sai Schools, Sri Sathya Sai Seva Samithis, etc received from Prasanthi Nilayam

7. Conducting **Sadhana Camps** once in six months in every district & **Study circles** once in a month in every Samithi
8. **Vedam workshops**(**SSS Samayak Sruti Sreni**) and 14 bhajan training workshops have been conducted. Subscription of Sanathana Sarathi encouraged in all districts
9. **Sai Paduka pooja and Sai Ashtotharam** have been performed as a mass activities in most of the districts.

Education Wing

The Education wing undertakes the following activities:

- (i) Sri Sathya Sai Bal Vikas Course for children up to the age of 15 years
- (ii) Courses for youth in the fields of Human Values, Indian Culture and Spirituality and other spiritual topics
- (iii) Parenting program : In accordance with the teachings of Bhagawan Sri Sathya Sai Baba, value-based parenting is aimed towards educating young parents

By Divine grace of our Beloved Bhagawan Sri Sathya Sai Baba, we had a mixed year with both online and offline Bal Vikas sessions. Before Covid, we had good expansion of Bal Vikas in rural schools as part of the GSMY activities. In both the villages identified by every Samithi, BV gurus visited those villages every Sunday for taking Bal Vikas classes. Later part, multiple centers had started internet-based learning for both Bal Vikas children and Bal Vikas Gurus. This online learning has really enabled Children and Gurus to directly connect and learn from subject matter experts.

Apart from regular Bal Vikas classes at local centers, we could plan and focus on three specific learning areas, run centrally by the state team for the benefit of gurus and children across the state:

1. Group 3 training to gurus.
2. Bhajan trainings to Bal Vikas children.
3. Vedam training with the help of Telangana State Vedam team.

We saw an increase in online Bal Vikas classes, as many schools were closed. However, Gurus are in touch with schools and schools are also eager to start Bal Vikas classes once schools reopen. Telangana state Bal Vikas team planned and executed online trainings for Gurus on Group 3 topics.

We wanted to make use of this lull period to make sure that gurus are well prepared on Group 2 and 3 topics. As part of this online training program, more than 150 gurus from across the state have participated in 12 sessions covering topics such as Bhaja Govindam, Harmony of Faiths, Management of Thought...etc. This has helped Gurus learn from each other and share audio recordings of their learnings.

Similar activity for learning of Vedam chanting for gurus was done with the help from State Vedam team. Bhajan training, along with Kanjira, was taken up on every Sunday (online sessions) with expert bhajan singers.

Children identified from both rural and urban centers participated in this event and this has helped in identifying and grooming talent in local bhajan centers. After bhajans, prayers to Hanuman, popular deity among children, was taught by teaching chanting of Hanuman chalisa.

All these sessions set up by state team were on top of regular weekly Bal Vikas classes at all centers.

Prevailing pandemic conditions did initially hinder Bal Vikas activities at rural residential centers and school Bal Vikas. But urban Bal Vikas centers with good access to Internet have done extremely well as children had all the time to attend and focus on Bal Vikas.

Though it took some time, even rural centers could participate in online classes over smartphones and continuity of the classes is maintained.

Overall quantity has not increased this year for known reasons, but quality has increased and hope to make use of these additional learning means going forward.

Service Wing

Bhagawan Sri Sathya Sai Baba professed, “Service is the life breath of the Sathya Sai Seva Organisation. Remember the truth that you are born to serve society.”

The Service wing undertakes service activities with a view to serve the society, more particularly, the lesser privileged in the society. Such service activities apparently seem to benefit merely the recipients of the service on a worldly plane.

However, on a spiritual plane, it benefits those who render such service as it helps them in their spiritual elevation towards attainment of self-realisation. Service activities that the organisation primarily engages in are:

- (i) Narayan seva-Nitya Anna Seva and regular Narayana Seva
- (ii) Medical camps-Mobile,Clinics and Telemedicine Services
- (iii) Veterinary camps, Goshala visits
- (iv) Educational assistance-Skill Development, Free Tuitions
- (v) Vocational training-Training in different Industrial Trades
- (vi) Visit to Hospitals and Services-Cleaning and distribution of Food and clothes based on the need
- (vii) Visit to old age homes-Spiritual Activities and Services needed for the elderly
- (viii) Visit to Orphanages -Health and Hygiene Services
- (ix) Visit leprosy colony or hospital-Medical and providing Basic amenities
- (x) GramSeva (service in villages)-Grama Seva Maha Yagna in SSSSO-Telangana
- (xi) Providing relief during natural calamities, pandemics, or accidents. -Disaster Management and Relief
- (xii) Sri Sathya Sai Prashanthi Nilayam Seva
- (xiii) Tribal Services - Sai Janani - Comprehensive development for Tribal hamlets

All the information connected with above services have been discussed in detail individually. Our state has a dedicated Sevalal team of around 6000 members and youth force of 3000 with blessings of Bhagawan.

Youth Wing Activities:

Sri Sathya Sai Grama Seva

With Blessings of Bhagawan Sri Sathya Sai Baba Varu, Youth Wing of Sri Sathya Sai Seva Organisations-Telangana has organized a common and uniform program throughout the state in selected 43 Villages on 22 & 23 November 2020 marking the 95th Birthday Celebrations of Bhagawan.

- Sri Sathya Sai Youth have gone to selected Villages, organized Namasmarana and started the Grama Seva
- Distributed Blankets to selected needy beneficiaries in Villages as a part of regular Sri Sathya Sai Winter Service
- Conducted Bhagawan's 95th Birthday Celebrations

Following activities have also been organized in addition to above list in few selected Villages

- Goshala, Temples and Village Cleaning
- Bhagawan's Photo & Prasadam distribution
- Amrutha Kalash distribution
- Sapling Distribution & Plantation
- Face Masks distribution
- Distribution of Notebooks and stationery, Plates & Glasses, Sweaters to Village Children and conducted Bal Vikas Orientation class
- Clothes distribution for selected Sanitary Workers and elders
- Medical Camp and ECG Testing and Distribution of fruits in Hospitals
- Covid Kit (Soap, Sanitizer, Face shield and Face Mask) distribution
- Campaigning for Sri Sathya Sai Praana Mitra (Telemedicine) Seva by distributing Pamphlets and Awareness Sessions
- Narayana Seva in few villages

- Bhadradi district-mahila youth from Ashwaraopet and Kothagudem Samithi participated
- Sircilla district- mahila youth from Sircilla Samithi participated
- Sangareddy district- 80 mahila youth from 6 samithis- BHEL, Prashanthnagar, Patencheru, Sangareddy, Jogipet and Narayankhed participated
- Rangareddy district- 54 mahila youth from 5 samithis participated
- Mahabubnagar district-40 mahila youth from Jadcherla Samithi participated
- Vikarabad district-mahila youth from Parigi Samithi participated
- Nagarkurnool district- mahila youth from Kalwakurthy Samithi participated
- Nalgonda district- mahila youth from Nalgonda district participated

3.Services at GSMY villages - 6 Districts have done many activities connected with grama seva - **Sangareddy, RangaReddy, Sircilla, Mahbubnagar, Vikarabad and Nagarkurnool**

తేది : 20 ఏప్రిల్ డి. 9 గోలండు ప్రాంత నిలయంలో బహుస్థాయి పాఠశాల 21, 22 తేదీలలో యువ తరంగ పరిచయం

- 1) బహుస్థాయి 12** : యువ తరంగ పరిచయం సందర్భంగా 95 రోజుల దీక్షకు నిర్దేశించిన పాఠశాలలో ప్రారంభించుట.
ప్రతిరోజు వ్యక్తిగత సాధనలు సరిపె ఏప్రిల్ 15 వరకు కొనసాగించుట.
- 2) బహుస్థాయి 19** : 108 సార్లు సాయుగాయత్రి పఠనం మరియు 95 నిల భజన. (సమితి స్థాయిలో)
- 3) ఫిబ్రవరి 2** : గ్రామ సేవ - యూత్ మోటివేషన్, స్వచ్ఛత కార్యక్రమాలు, పల్లకి సేవ మొదలవు.
- 4) ఫిబ్రవరి 15/16** : ప్రభుత్వ పాఠశాలలోని 10వ తరగతి విద్యార్థులకు మోటివేషన్ తరగతులు.
- 5) మార్చి 8** : సమితి లేదా జిల్లాలోని అనాథ ఆశ్రమాలు/వృద్ధాశ్రమాలు/బి.సి., ఎస్.సి., ఎస్.టి. హాస్టల్స్ సందర్శన.
- 6) మార్చి 22** : జిల్లా యువజన సమన్వయకర్తల సమావేశము
- 7) మార్చి 25** : ఉగాది సందర్భంగా సమితి స్థాయిలో యూత్ స్టడీ సర్కిల్ నిర్వహణ.
- 8) ఏప్రిల్ 12** : గ్రామ సేవా కార్యక్రమాలు మనీఫెస్టో, చర్చి, దేవాలయాల పరిశుభ్రత, పల్లకి సేవ, యూత్ మోటివేషన్ మొదలవు.

9) బహుస్థాయి 12 నుండి 15 వరకు : Each one Bring one కోరికలను అందుకు పాటిస్తూ రోజూ కొంత డబ్బును పొందుతున్నామని ఆ డబ్బుతో ఒక కొత్త యువతను పరిచయం చేసుకొని వచ్చుట.

భగవానుని కృపాకటాక్షంతో, అపారమైన దయతో స్వామి యువ విభాగం, తెలంగాణ రాష్ట్ర యువజన పర్తి యాత్రకు అనుమతి ఇచ్చాడు. ఈ మహత్తరమైన అవకాశంను యావత్ మహిళాభివృద్ధి జిల్లా యువకులమైన మనందరం సర్దుబాటుచేసి చేసుకొని వందలాది, వేలాదిగా పర్తియాత్రకు తరలుదాం... స్వామి వారిని దర్శించుకుందాం...

- i. Pallaki Seva
 - ii. Rangoli
 - iii. Motivational Classes
 - iv. Health and Hygiene awareness session
- 4. Visit to Orphanages and Oldage Homes
 - 7 Districts have done activities
 - i. Distribution of Fruits
 - ii. Exam Pads
 - iii. Cloth Bags
 - iv. Ramayana Quiz Session
- 5. Other Services
 - a. Conducting Personality development Sessions
 - Rangareddy -manikonda SC Girls Hostel
 - 87 girls
 - b. Exam Pads Distribution
 - 133 students -Jadcherla High School
 - c. Samuhika Seemathalu at Bhadradri district
 - d. Rangoli competitions at Karimnagar and jammikunta districts
 - e. Women Empowerment Program at BHEL, Sangareddy District
 - f. Distribution of Face Masks
 - 16000 masks have been given across Telangana
 - g. Tailoring Training
 - 95 Candidates have been trained by BIRED
 - h. Prasanthi Services
 - 230 Mahila Youth Participated PN seva
 - i. 2 ½ month online training on Oracle and Amazon
 - Web services for 32 girls-Sangareddy Dt.
 - j. Online Training in Soft skills, Carrier Guidance -Warangal Urban -50 Girls
 - k. Online Yoga Training Sessions for Mahila Youth- 51 Youth Participated
 - l. Online sessions for women on stress relief and building stronger relationships-50 mahila Participated-Sangareddy District
 - m. Medchal district: **“Premamrutham”** series of talks by Alumni of SSSIHL from July’2020 onwards.
 - n. **Bhajan Mahotsav:** On 24th october’2020 Medchal district youth conducted Bhajan Mahotsav. youth from 17 samithis offered 95 bhajans
 - o. Bhajans by Youth are being conducted on every Saturday by Medchal youth.
 - p. Food Preparation and distribution by Mahila Youth during lockdown across the state
 - q. A two day On line work shop for teachers was conducted on 5th and 6th of september’2020. Around 200 participants pan India attended the sessions on value-based teaching.
 - r. **Ganit Utsav:** Mahila youth of Warangal urban district conducted online Mathematics event on national Mathematics day.

CHAPTER - 5: SRI SATHYA SAI VIDYA JYOTHI SCHOOLS ACTIVITY REPORT

Introduction:

Sri Sathya Sai Vidya Jyothi (SSSVJ) program was launched on 24th April 2016, Aaradhna Day. Aiming to supplement, enhance the levels of motivation, learning experience of students of schools adopted, having all round improvement of the schools eco-system which constructively shapes the learning environment and make the children engaged in Physical Activity, cultural programs, value oriented sessions to inspire the children and equip the school.

This program is executed in four phases viz. Energize, Empower, Equip and Evolve.

1. **Energize**-attempts to create interest, enthusiasm and fervor among students, teachers, parents and community
2. **Empower** -establishes commitment in Sri Sathya Sai Seva Organisations to the schools by improving overall wellbeing of the children and implement the programs which will enhance their capability, Capacity and Character
3. **Equip**-includes cost intensive CIVIL works to renew/build additional facilities and added infrastructure for the school along with Teaching aids
4. **Evolve**-School is connected with larger community by exposing students in community competitions linking schools in state and country

Few Highlights of Activities conducted under Sri Sathya Sai Vidhya Jyothi:

Date: 05-09-2019 State: Telangana District: Hyderabad Samithi: Koti School: Primary School, Troop Bazar, in the premises of NAYA BAZAR GOVT HIGH SCHOOL. BADE CHOWDI, Hyderabad Activity: Teachers' Day Celebrations

Activity Information: Renowned Scholar Smt. Aluri Kalyani who has been awarded by International Wonder Books of Records has given her valuable guidance to children on the Importance of a Teacher and attributes of an Ideal teacher like Hope, eloquent speaking skills, Nice personality, Pure at heart, Forbearance, leadership Quality, Values and balance in Thought process, Interest in learning and teaching which are the qualities of Dr. Sarvepalli Radhakrishnan.

Sri Sathya Sai Youth member Miss Ashritha explained the importance of helping others by giving the example of Mother Teresa. Programme concluded by cutting a cake and giving information about the upcoming medical camp (Ophthalmology-EYE specialty) for all the students of the school next week.

As part of Bhagawan's 95th birthday special services, Sri Sathya Sai Seva Samithi, Kukatpally has

- Distributed 95 Sweaters to the children at Sri Sathya Sai Vidya Jyothi School, orphanage, and slums
- Conducted Flag Hoisting ceremony on Republic day held at Vidya jyothi school on 26 Jan 2020
- Distributed 100 PPE kits at Mental hospital, Erragadda. 2000 sanitary napkins at Mental hospital, Erragadda, Vidya Jyothi school, 5 orphanages on 16 Sep 2019.

Prasanthnagar Samithi of Sangareddy provide everyday breakfast to Sri Sathya Sai Vidhya Jyothi Schools.

Our Organisation provides books and stationery to students of Vikarabad and Sangareddy districts.

We conduct weekly Bal Vikas classes in all Sri Sathya Sai Vidhya Jyothi Schools.

We also conduct Medical Camps in few schools twice annually to ascertain any health issues among children

All National festivals will be celebrated in Sri Sathya Sai Vidhya Jyothi Schools

Sri Sathya Sai Youth will be cleaning the premises of schools once in a year before the starting of the academic year.

CHAPTER – 6: SRI SATHYA SAI TRIBAL DEVELOPMENT PROGRAM

Launched in Telangana state under the title: SAI JANANI

Summary

Integrated Tribal Development program was initiated way back in 2013 in Telangana at Chennaram cluster of Nagarkurnool dt.

There after the project got re designated under the title SAI JANANI, and extended in various quarters of Telangana state in 2018.

So far till Jan 2021, 82 health camps were conducted in Chennaram cluster, which is coming under ITDA Mannanur, catering to the medical needs of more than 25,000 patients coming from 40 villages in the tribal belt of Nagarkurnool district.

Nearly 2040 patients were given Spectacles, 840 patients got operated for Cataract , 180 got their Dental problems cleared and nearly 2600 patients underwent bloodtests. 325 General surgeries were conducted so far. In other tribal areas like Sai Janani -2 Bhadrachalam, -3 Utnoor & -4th at Eturnagaram various developmental & spiritual activities like Bal Vikas, Medicare, Socio care , Sri Sathya Sai Vratams, Bhajans, Narayanseva & Covid-19 services have been organized.

1. Chennaram Base camp , Nagarkurnool

VILLAGE CLUSTERS : 30 TO 40 KMS FROM THE BASE CAMP

Appapapur, Mannanur, Siddapur, Chitlam Kunta, Yerrapenta, Appaya pally, Padmanna pally, Chennam pally, Banala Laxmipally, Bills kallu, Jangareddy pally, Maddimadugu Maradugu, Udimilla Petral chenu, Baakka Lingaya pally, which is coming under ITDA Mannanur.

People living in tribal communities cannot make it to hospitals because they cannot leave work, or do not have the financial resources to reach there or are too old to travel. To provide medical relief, SSSSO TS organizes quality medicare with diagnostic facility at the doorstep, once in a month. These teams visit tribal people in their homes and provide free medical assistance.

All of those patients who require advanced Medical & or Surgical interventions are guided to Super Specialty hospitals within the district or at Hyderabad. Follow up cases are taken up by well experienced sevadal.

SAI JANANI – MOBILE HEALTH SERVICES – CHENNARAM, NAGARKURNOOL Dt.

Cataract Cases – Tadur Village, Achampet manadal Nagarkurnool dt - Jan 2021

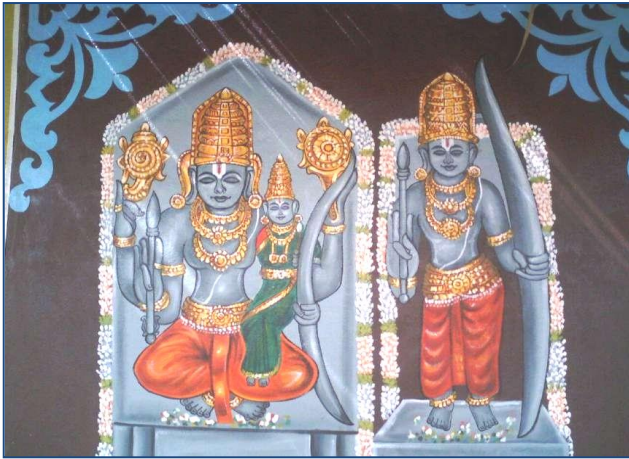

Swami's Message

Each has its own dharma or innate specialty, individuality, or love characteristics. This rule applies equally to blades of grass and the stars. The cosmos is not one continuous flux. It progresses persistently toward achieving a totality in the qualities and circumstances. One can also transform oneself from the present status through self effort and discrimination. The moral forces permeating the cosmos will certainly promote our achievement. But people are too immersed in the all-pervasive delusion to take advantage of these and elevate themselves. They are not aware of the path of peace and harmony in the world. They are not able to hold on to the good and avoid the bad. They can't establish themselves in the dharmic path. "That" from which the manifested cosmos emanated, with its moving and unmoving entities; "That" which prompts, promotes and fosters their progress.

"That" in which they ultimately merge — know "That" as Brahman. (Sutra Vahini, Ch 2)

2.BHADRACHALAM

Bhadrachalam ITDA Area Consist of 29 Mandals and is inhabited by (3) different types of Tribal Groups. The Tribal Population in Khammam District is about 6.83 Lakhs, out of which, 0.10 Lakhs belong to Kondareddy community which is categorized as the most primitive in nature

Covid – 19 Relief Seva, Face masks distribution to Villagers- Tati Subbanna gudem(v), Dammapeta (m) Sri Sathya Sai Grama seva on 24-01-2021.

Blankets distributed to 55 members of Gotikoya Families near Krishna Sagar in Winter

3.UTNOOR - ADILABAD

There is an Integrated Tribal Development Agency (ITDA) serving this area.

Wanvat – Amrutakalasam to Villagers of Lohara 06-05-2020

08/09 -05-2020 Wanvat Bhajana Mandali, Burki villageAK kits distribution to Linguguda & Kanan guda

In July 2020, 108 times Sri Sathya Sai Gayatri Chanting
by Bal Vikas children at Wanvat on GURPURNIMA

Heerapu (Gond tribes, Utnoor mandal) Grama darshini 09-12-2020

4. BHUPALPALLY

Demographic Analysis (2011 Census),

Description	Jayashankar Bhupalpally
General Population of the District	7,11,280
Tribal Population of the District	1,23,400
Percentage of Tribal Population	17.35%
No. of Revenue Divisions	2No. of Mandals20
Tribal Sub Plan Mandals	6
Agency Mandal	3
Total Tribal Population	3,15,181
Agency Area Tribal Population	1,38,673

In Warangal District, Eturnagaram, Mangapet, Tadvai, Govindaraopet, Mulug, Kothaguda, Gudur and Mahabubabad Mandals are mostly inhabited by tribals and come under TSP (Tribal Sub Plan) area. Bhupalpally, Venkatapur, Nallabelly, Narsampet and Khanapur are the other TSP Mandals with little ST population. 68 Villages in 15 Mandals have most of the tribal population.

Medical assistance in Tribal areas - Bhupalpalli

Sarakkapalle, Bhupalpalli Covid – 19 Relief Seva 23/05/2020

23 Amruta Kalasam kits distributed to adivasis of Uthalampet on 23/05/2020

Sri Sathya Sai National Drinking Water Mission in Rural India: Exponentially High Economic and Social Benefits

With 5.4 crore expenditure for 108 water purification plants, the Mission demonstrates a 10x economic benefit annually, and 136x benefit over the lifecycle of the Water Purification Plants

Even as the country is grappling with COVID-19, temperatures are rising, and summer is bearing down on us. As predictable as the rising temperatures, are the water woes in much of the country. Both urban and rural areas will once again experience the annual water shortages. In rural areas especially, women will have to trudge long distances to fetch clean water for drinking and other domestic purposes. Contamination of available groundwater with various chemicals, minerals and other pollutants makes it even more daunting to access clean drinking water every day. It is estimated that about 177 districts in 21 states across the country suffer from excessive fluoride in the available water supply, impacting more than 6.2 crore people. Other contaminants include nitrates, arsenic and other heavy metals.

Thankfully, residents of 108 villages across six states are saved from having to consume and cope with such contaminated water due to the installation of water purification plants in their villages. Over the last 14 years, the Sri Sathya Sai National Drinking Water Mission has installed 108 water purification systems in as many villages spanning the six states of Andhra Pradesh, Telangana, Odisha, Tamil Nadu, Karnataka, and Gujarat.

With the first plant installed in 2006, the Mission has over the years enabled uninterrupted supply of pure drinking water to over 40,000 families (over 2,00,000 users) in areas of chronic water distress. Most of the installations are in Andhra Pradesh (68) and Telangana (24).

6 States

22 Districts

108 Villages

Over 40,000 Households

Over 2 Lakh Users

Sri Sathya Sai Technology Team's mission has been to 'reach out to the remote and far-off rural locations and provide simple and affordable technological solutions to some of the long-standing problems faced by them'. With these objectives, the Sri Sathya Sai National Drinking Water Mission was born. Based on extensive research, the Technology team concluded that a Reverse Osmosis (RO) system is more efficient in eliminating toxins to the desired levels. Retaining essential minerals during the process can be done by controlling feed pressures and flow rates. So, the RO system has been the chosen method in the 108 installations across states.

32

The design of the Water Purification System ensures that the plant has to be self-sustainable. Each household in the village that opts to use water from the purification plant is given a membership card and a jerrycan/container. The membership card can be topped up each month for ₹ 60. This amount provides 20 litres of water per day for a nominal cost of ₹2 resulting in a cost of just 10 paise per litre. If at least 80 to 90 percent of the village signs up for the service, the system is able to generate enough resources to pay for the costs of running the plant, as well as some money saved as a welfare fund to serve the needy in the villages and when required. The Technology Team reports that in some villages, the welfare fund has accumulated a few lakh rupees.

This self-sustaining, self-funding model has resulted in smooth running of the Water Purification Systems since funds to pay the electricity bills, spare parts and operator salaries are available from the user fee deposits. There is no external funding required to keep the plants running. Villagers are also aware that the user fees are important to keep the plant operational.

The Technology Team helps with the setting up of a village committee. The village committee is solely responsible for the operation, maintenance and financial record keeping of the Water Purification System. The committee comprises of women, two women and youth members, and are chosen by the villagers themselves. A bank account is opened with the village name / committee name. A person from the village is employed to take care of the complete operations of the plant on a day-to-day basis.

Key Takeaways and Learning's

Community participation in managing water sources is critical to its success. The plants have been running uninterrupted since they started operations. Sustained management of the resource involves complete buy-in from the community, management by the users / stakeholders through a village committee, and a self-sustaining financial model.

Cost-Benefit Analysis

Based on wage data for the region, cost of water, and healthcare, if purified drinking water was not available through the water purification plant, the coping costs incurred by members of the 40,000 households in 108 villages would be to the tune of ₹49 crores annually! For a one-time investment of ₹5.4 crores by the Sathya Sai Organisations therefore, annually the citizens in these villages avoid incurring losses of ₹49 crores as measured along the parameters mentioned below:

A whopping 77 percent of the annual ₹49 crores coping costs is due to potential losses in women's wages.

This includes:

- Loss of wages due to waterborne illnesses (own): 6.9 crores (14%)
- Loss of wages due to caregiving for other family members' waterborne illnesses: 15.6 crores (32%) and,
- Workdays lost due to water fetching duties: 15.6 crores (32%).

The rest of the losses are due to:

- Men's loss of wages due to waterborne illnesses: 3.5 crores (7%)
- Household health care costs: 2.2 crores (4%) and,
- Cost of buying water (estimated for only 10% of the users): 5.5 crores (11%).

Each household pays only ₹720 annually to avail such enormous benefits! Over the potential 15-year life cycle of the 108 water purification systems, the coping costs averted are ₹738 crores.

The self-sustaining model of Water Purification Systems set up by the Sri Sathya Sai National Drinking Water Mission in 108 villages is replicable and amenable to scale up in many more villages.

Sharing his vision for 2025, Sri Nimish Pandya, All India President, Sri Sathya Sai Seva Organisations, underscored the potential of such decentralised water purification projects in rural and tribal areas in benefitting lakhs of individuals who are deprived of access to pure and safe drinking water.

Sri Sathya Sai Seva Organisations propose to expand this project leading to the centenary year celebrations of Sri Sathya Sai Babai in 2025. Through this initiative, the Organisations will also be contributing significantly to India's efforts to achieve the **United Nations' Sustainable Development Goal number 6 (SDG-6): availability and sustained management of water and sanitation for all by the year 2030.**

Swami's message

We all have heard Swami telling us repeatedly that we are the Embodiments of the Divine. **Swami has also told us that *Sathya, Dharma, Shanti, Prema* and *Ahimsa* are the fundamental and eternal values in-built into each and everyone of us, even as we are sent forth into this world to start our journey through life.** These fundamental values encoded into us are, in fact, the Seal of the Divinity latent within us.

“Dear children, do you know God sent you to live on earth with a box full of precious jewels and ornaments? They are called ***Sathya, Dharma***, etc. God would be incredibly pleased if you wear them. Make sure you keep these gifts of God in good condition. They must be kept polished, and their shine and lustre must dazzle,”

With Blessings of Bhagawan Sri Sathya Sai Baba Varu, Sri Sathya Sai Nithya Anna Seva is organized, currently due to Covid - 19, at Nine Government Hospitals providing food for the attendants of in-patients. They will be coming from rural places, old age homes and other areas.

CHAPTER – 9 : SRI SATHYA SAI SEVA ORGANISATIONS TELANGANA DISASTER MANAGEMENT ACTIVITY REPORT

By the Divine Blessings of Bhagawan, Hyderabad DM team has attended Flood relief seva in Hyderabad during October 2020. The team undertook the relief work in Slum areas which was inundated by flood waters raising up to 4 - 6 feet

DMP: Disaster Management Programme (2 Days)

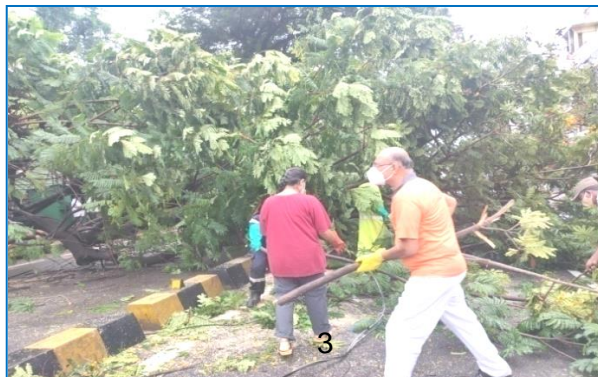

DAP: Disaster Awareness Programmes (1 Day)

DPP: Disaster Preparedness Programme (1/2 A Day)

TTP: Trainers Training Programme (2 Days)

TTP: Practice: Trainers Training Programme (1/2 Day)

1. Conducted 2 day DM program at Alwal in October 2020.
2. In December, 2019 using the good offices of the State Trust Convener, DM team Telangana had arranged advanced trainers training camp with Trainers from National Industrial Security Academy (NISA) for 5 days. In this 25 trainers from all the southern States as well as Maharashtra and Madhya Pradesh participated.
3. Conducted Disaster Awareness training to three batches of 90 bank security personnel in Andhra Bank Apex college during Feb 2020.
4. On the request of Prasanthi Nilayam Ashram authorities, Practical training in Fire fighting (Basic and operation of extinguishers) was conducted for various institutions of Prasanthi Nilayam during Feb 2020.
5. Conducted Emergency Evacuation Mock Drills in Book Trust, Indoor Stadium, Administrative Block of University, Super specialty Hospital & Archives building of the institutions of Prasanthi Nilayam from 11th to 14th March 2020.
6. During recent floods in Hyderabad on 14th & 15th October 2020, DM Team had conducted Rescue operations at Ramanthapur and Towlichowki simultaneously forming two teams. In this operation totally around 160 people were brought out safely from inundated areas.
7. During the pandemic period, the team members have participated in Community kitchens operated in respective Districts.
8. Team had participated in planning and execution of maintenance of Social distancing in Shivam Mandir including disinfection of the Mandir premises.
9. Apart from the above, the DM team members are actively participating in all the programs of the organisation.
10. Due to the prevailing pandemic situation, conducted virtual training for trainers for intending trainers from Karimnagar, Warangal, Bhadrachalam Kothagudem & Mahabubnagar Districts.
11. At present there are 12 Gents and 2 Mahila trainers.

Disaster Management Team Membersin Seva during Hyderabad Floods @Nadeem colony in October 2020, rescuing a Pregnant woman

Love All – Serve All

CHAPTER – 10 : SRI SATHYA SAI SEVA ORGANISATIONS TELANGANA MEDICAL, TELE MEDICINE & VETERINARY SERVICES

A holistic approach is adopted in this seva emphasizing on both Preventive and Curative aspects of human ailments. While the preventive measures enable containment of diseases, every effort is made to provide total cure through follow up activity, complexity of the disease notwithstanding.

This activity is most promising both in terms of its utility value and in transmitting Sai Nama and Tathwa in the remotest villages. This Seva touches the Heart of the poor and needy. These villages grow into true Spiritual centers radiating Bhagawan's message of Human values.

SPECTRUM OF MEDICAL SERVICES IN TELANGANA DURING 2019 – 2021

(Cumulative figures)

Specialty Medical camps offering Multi Specialty Medicare such as Pediatrics, Medicine, Dentistry, Ophthalmology, Orthopedics, Gynecology, ENT, Skin, General Surgery etc

Sl No	Particulars	No. of Camps	Beneficiaries
1.	Medical camps	79	140060
2.	Clinics	1593	68868
3.	Institutional care	463	7140
4.	Single Doctors clinics	424	10270
5.	Mobile camps	82	20091
6.	Tele Medicine – Praana Mitra	46	1103
	Total	2626	247532

During the year 2019-2021, about 2.47 lakh patients were treated in Medical camps, clinics, follow up cases and Mobile Health Services in Telangana, costing roughly 3.16 crores.

202 Medical camps conducted in the Districts of Hyderabad, Medchel, Vikarabad, Ranga Reddy, Bhadrachalam, Nizamabad, Sangareddy, Bhupalapalli, Mahabubabad, Warangal Urban, Nagar Kurnool, Mahabubnagar, Jagtial, Karimnagar, Nirmal, and Mancherial. during the year 2019-2020 benefitting 1,40,060 patients. 793 doctors, 614 paramedical, 1855 sevadal members participated in the medical seva.

PREVENTIVE HOMEO MEDICINE FOR VIRAL AND DENGUE FEVERS

Viral fevers like Dengue have spread in entire Telangana and thousands of people are suffering. Preventive Homeo medicine for Dengue and other viral fevers is giving excellent results. Hence Sri Sathya Sai Seva Organisation, Telangana approached the Deputy Director, Ayush, Ramanthapur, Hyderabad and obtained preventive homeo medicine.

The Preventive medicine has been sent to the District Presidents of Hyderabad, Secunderabad, Ranga Reddy, Medchel, Mancheriyal, Nirmal, Komaram Bheem Asifabad, Mehabubnagar, and Vikarabad. They distributed in colonies, schools, public places and in medical camps. Over one lakh people benefitted with the medicine.

MEDICAL SEVA THROUGH CLINICS IN TELANGANA (April 2019 -Dec 2020)

Medical seva in 32 clinics is being rendering service in Telangana. These clinics include - Allopathy, Homeopathy, Ayurveda etc. The district wise details are as follows:

Sl.No.	District	Clinic	Specialty	No. Of Clinics Held In The Year	Beneficiaries
1	Hyderabad	Dilsukhnagar	Allopathy	23	1274
2		Vidyanagar	Homeo	0	0

INSTITUTIONAL CARE – FOLLOW UP CASES

During the medical camps, clinics and Mobile camps, the patients identified for the further investigations, procedures and surgeries, they are brought to the higher medical centers for treatment. The hospitals involved in follow up cases are as follows:

- 1.Uma Priya Maternity Nursing Home, Jammikunta
- 2.Govt. Eye Hospital, Mahabubnagar
- 3.Sadhuram Eye Hospital, Hyderabad,
- 4.Gandhi Hospital, Secunderabad.
- 5.Apollo Hospital, Jubilee Hills, Hyderabad.
- 6.Sunshine Heart Institute, Secunderabad.
- 7.Siddardha Hospital, Siddipet
- 8.Osmania Hospital, Hyderabad
- 9.MNJ Hospital, Hyderabad.
- 10.Positive Homeopathy, Vanasthalipuram, R R District
- 11.Mahalaxmi Eye Hospital, Vanasthalipuram R R District
- 12.Niloufer Hospital, Hyderabad.

393 follow up services were provided during 2019-2020 and 7140 patients were benefitted in the above hospitals.

SRI SATHYA SAI MOBILE HEALTH SERVICES, TELANGANA 2019 - 20

(1st April 2019 – 31st December 2020)

Health for all and Medicine at the doorsteps of the poorest and the needy” –this is what Bhagawan Baba has envisaged when He started the First Super Specialty Hospital in the tiny village of Puttaparthi.

Sri Sathya Sai Mobile Health Services in Telangana is a novel outreach programme, started in March 2011, at Nandi Wanaparthi village, by Hyderabad District. This project is being continued on the following Divine directions of our Beloved SWAMI on medical care:

- Medical care must be provided free of charge;
- Medical care must be administrated with love and care;
- Every patient must be given the best available treatment and Finally “Treat the patient and not merely the Disease”.

Keeping in mind the above Divine Directions, Sri Sathya Sai Mobile Health Services started its activities in 2011 at Hyderabad and now it has been serving in six districts of Telangana. Activity commencement details are as follows:

Sl.No.	District	Date of Inauguration
1	Hyderabad	27.3.11
2	Mancherial	26.2.12
3	Nagarkurnool	09.9.12
4	Khammam	09.2.14
5	Ranga Reddy	16.4.17
6	Medchal	21.1.18

Sri Sathya Sai Mobile Health Services in Telangana, with a noble cause of taking healthcare to the rural doorsteps, rendering medical services every month, with its team of doctors and offering diagnostic services. The cases identified in the camps for further investigations, procedures, surgeries, will be sent to the nearby town/city hospitals and provide treatment to the patients totally at free of cost.

With the Divine Blessings of Bhagawan Sri Sri Sri Sathya Sai Baba varu, Sri Sathya Sai Mobile Health Services project has completed **NINE YEARS** of service to the poor and needy people.

These medical services include the Specialties viz. General Medicine, ENT, Ophthalmology, Dental, Obstetrics and Gynecology, Orthopedics, Pediatrics and Dermatology.

Service to Humanity with Love and Care
Achievements during 2011 - 2020 (upto 31st December 2020)

1,56,251 patients from 4991 villages in 560 camps were treated with love and care; 2834 Doctors, with a minimum 6-8 doctors per camp are blessed with Seva Prasadam. They represent the Specialties of General Medicine, Obst. & Gynecology, Ophthalmology, Dentistry, Pediatrics, ENT, Cardiology, Orthopedic, Neurology.

26,517 Lab Tests, 1027ECGs were done in the mobile vans to diagnose intricate ailments and to monitor chronic diseases; 16,858 Ophthalmic cases, 3,827 cataract surgeries and 13,031 spectacles were given to the identified patients; 1,147 General procedures/Surgeries/biopsies, FNACs were done; 351 patients received cardiac investigations, procedures, surgeries.

2525 women with Gynecological problems were treated; 460 patients have undergone ENT check up/procedures/surgeries; 3101 patients have undergone dental treatment viz. extractions, fillings, scaling, partial dentures, full set dentures and dental fluoride stains removals.

Performance of Mobile Health Services in Telangana up to 31.12.20

HEALTH CARE PROJECT FOR NEWLY BORN CHILDREN

(Experiencing SAI in Service)

NEWBORN SCREENING FOR HEARING camp at Area Hospital, Vanasthalipuram, Ranga Reddy district, Telangana:

The Health Care project for newly born children is a new initiative taken up by SSSSO, TS in association with SAHI (Society to Aid hearing impaired) for the first time in India.

Hearing Impairment is a hidden disability in newborn children. Speech and language are interconnected with hearing. Late detection causes irreversible stunting of the speech and language development which further effects the future potential of the child. Detection of hearing impairment in infants within first six months of age is overly critical and has proven advantages over those detected later, terms in acquiring normal speech and language regardless of degree of hearing Impairment. Human brain developmental capacity with respect to hearing, speech and language development is maximum at the age of two years.

It is important to check and screen hearing for every neonate to rule out any audiological anomaly, to correct it at very young age and obtain maximum benefits which can help the child to lead a complete normal life in par with their age group children. With this concept the project is launched at Area Hospital, Vanasthalipuram, RR Dist on 2.10.19. It is twice in a month.

The project is inaugurated by Dr. Ramesh Kumar, Medical Superintendent, Area Hospital, Vanasthalipuram, and Dr. K. Ram Babu, MS (ENT), Apollo Hospital, Jubilee Hills, Hyderabad. Sri Srinivas, Chief Audiometry Department and State Medical Coordinator, Telangana participated.

Eleven camps conducted and 241 newly born children screened. Out of 241 infants 48 infants identified as hearing problem patients and requested them to come for further reviews and course of investigations at Apollo hospital. The above results clearly shows that 20% of newly born children are having hearing impairment. The percentage will increase in near future.

It is the high time to establish many more such screening centers started in all districts in Telangana during Centenary celebrations of our Beloved SWAMI.

CARING BEYOND CURING

Follow up cases

Hundreds of follow up cases come across in the medical camps. Some seem to be serious, and volunteers make note of them, arrange dates for further investigations/operation/treatment, bring the patients to Hyderabad city, accommodate them in local Sathya Sai centers and provide them with food and other necessities. A few of the patients are described below; many such cases have been taken up during the period.

SAI REHABILITATION PROGRAM (SRP)

Sri Sathya Sai Seva Organisation, Telangana is providing local volunteer doctors and dedicated sevadal in all districts for effective implementation of Sai Rehabilitation Program, after discharge of the patient from the hospital, to help heal the body, mind, and spirit of every patient. This noble service was launched in Andhra Pradesh and Telangana in January 2008.

There is a state level activity in charge for SRP and District SRP i/c in all Districts. Local devotee Doctors in the districts are providing voluntary service of free checkup of the patients.

SRI SATHYA SAI PRAANA MITRA

Tele Medicine Seva

Sri Sathya Sai Seva Organisations-Telangana is rendering medical services since more than four decades conducting regular Medical camps in remote villages of Telangana, Clinics in the towns and cities and single doctor clinics at their Bhajan centers and follow up cases for necessary investigations, procedures and surgeries at towns and cities of Telangana. Mobile Medical vans are going to remote areas and rendering service to the tribal people.

Due to the Pandemic situation, the entire medical activity in the State stopped and due to this it is observed that many of our beneficiaries and others who need support especially in the rural and some urban areas are not able to venture out hospitals or clinics due to the fear of contracting COVID-19 disease. Sai Doctors in the organization have been receiving calls for help and medical advises for simple medical ailments.

Keeping in view of the requirements of medical support to our suffering people, Sri Sathya Sai Seva Organization, Telangana in association with Sri Sathya Sai Trust planned to launch Telemedicine services in Telangana.

After taking the consent from the All India President, SSSSO, it has been decided to start the Telemedicine services in Telangana in the areas of General Medicine, Pediatrics, Gynecology, ENT, Cardiology, Dentistry, Neurology, Orthopedic, Ophthalmology, Dermatology, Pulmonology, Gaestrolgy and Neonatology specialties. Telemedicine services are available twice in a week i.e. on Saturday and Sundays headed by Dr. K. Ram Babu, and District Medical Coordinator, Hyderabad a senior consultant, ENT, Apollo Hospital, Jubilee Hills, Hyderabad.

The software is provided by YouSee Sri Gunarajan and his team. A young group of 40 ITSai Sevalal were trained.

The Director, Vaidya VidhanParishad, Hyderabad and Commissioner, Public Health, Government of Telangana have been informed through SSS Trust. The entire telemedicine project is being run as per Telemedicine Practice guidelines of Indian Medical Council and NITI AAYOG guidelines issued in March 2020.

With the Blessings and Grace of Bhagawan Sri Sathya Sai Baba varu, Sri Sathya Sai PraanaMitra (a Telemedicine seva project) is launched in Shivam, Hyderabad at 10-45 a.m. on 29.8.20. Sri H.J. Dora, Convenor, State Trust, Sri Kailash Prasad, Member and others, SriP.Venkat Rao, State President, SSSSO, Telangana, Sri Gopi Krishna, Dr. K. Ram Babu, Program Coordinator, and State Medical Coordinator, have graced the occasion and launched the Tele calling process.

CHAPTER – 11: COVID – 19 RELIEF SERVICES

COMMUNITY KITCHENS

During the times of unprecedented Covid 19 crisis, Sri Sathya Sai Seva Organisations, Telangana had offered extensive services to the needy and poor through widespread community kitchens. Across the state 37 community kitchens were permitted spanning over 21 districts. A due validation process was followed with a thorough inspection of the facilities, safety measures and an objective assessment of the local resources.

The community kitchens were operated in 31 towns of 9 districts. A total of 6.5 lakh food packets were distributed till 31Aug 2020. This amounted to an average of 12000 meals per day for the entire 75-day period.

The meal was prepared as prasadam with reverence and was offered with love. Extensive planning and seamless integration with Police and Municipal Authorities allowed a hassle-free distribution across the towns. Community Kitchen operated at Bowenpalli samithi, Malkajigiri - Medchal was the biggest in entire India serving 8000 meals per day.

The entire process was duly supported with devotion and dedication by Sri Sathya Sai youth and Sevalal. The compliance for hygiene, safety and caution was well adhered to across the locations. Robust information systems were evolved to ensure a close monitoring and crisis management by the state teams.

This opportunity built a strong working force and a field team in these samithies involved. The organisational capabilities in planning, resource pooling was significantly enhanced. The organisation has also received innumerable accolades from the various quarters of the society for such massive scale of operations.

This crisis of human suffering on the contrary strengthened the inherent compassion in the human heart. The faith in the Lord was nurtured and significantly deepened through this unique experience. May Bhagawan bless us to be HIS worthy instruments.

AMRUTA KALASAMS (AK)

By the grace and blessings of Bhagawan, Sri Sathya Sai Seva Organisation, Telangana could distribute 20036 Amruta Kalasham Kits to the needy till 31 Aug 2020. All the Samithies also taken up the distribution food items/groceries in the form of Amrutha Kalashams for the needy and poor who were able to cook at their homes.

Though this activity was spread across the district, it was sustained continuously across all the state of Telanagana. An Amruta Kalasam(AK) kit consisted mainly of Rice, Pulses, Atta & Floor, Cooking oil, Spices, Soap, Detergent, Sanitiser, hair oil and Vegetables. Items have been decided based on the food habits of the beneficiaries and need. On an average, items that could last for a fortnight were distributed across the Samithis.

The distribution was undertaken after a thorough investigation into the worthiness of the recipient. An objective criterion was evolved and a strict adherence to the process was maintained. Due care was taken during the distribution to adhere to the social distancing norms that were issued by the government and making the authorities distribute and avoiding the Sevala distributing them as instructed at many places. This service is continuing based on the need in several samithies.

Many Samithis have observed the Sri Sathya Sai Aaradhana Diwas and Eswaramma Day of 2020 by distributing Amrutha Kalashams to many needy people across the state with devotion. Amrita Kalashams allowed a wide spread participation by the devotees across samithis.

Voluntary contributions gathered right from the households to the shop keepers. This activity also allowed a significant bonhomie at the field level. Moreover since the distribution was done as an offering to the Lord, the response from various sections of the beneficiaries was extremely moving.

This activity allowed a ground level assessment and understanding of the needs of the forgotten sections of the society. Moreover, the quality of the items distributed, the quantity, and the reverence with which these items were presented allowed a deeper integration of the beneficiaries into Satya Sai fold.

CHAPTER – 12 : SRI SATHYA SAI RVTC REPORT

1. Brief narration of RVTC/VTC activity in the state.

Vocational training has been in place since 1980's in Telangana & State youth (Mahila & Gents) have played a key role in empowering rural India through various skill development programs.

RVTC gained much importance as a tool for valuebased skills training since 2000. Currently 18 centers are facilitated with i5 generation computers having Audio facility to take up Soft Skills training program with English Language skills. Alternate batches with 45 – 60 days training program (12 to 15 Ladies / Gents perbatch) are planned for the future starting from January 2021. In a calendar year 2 batches of Ladies & 2/3 batches of Gents will avail the training facility.

Apart from Soft skills, regular training programs for 25 ladies in Tailoring , Maggam , Beautician, Mehendi involving mahila's between 20 to 45yrs of age are also in place (3 batches / Center /Yr). Special training program for rural mahila's in preparing Sai Protein, Balanced diet, Women & Child Care in view of pandemic situations are also planned.

In district HQ's special training programs to address the manpower requirements as Bed side / Health Care assistant are also thought of. Electrical works, Plumbing , Repair of Pump sets , Home appliances and Agricultural implements are also planned for youth in Tribal belts of Telangana. Each vocational trainee will gain hands on experience apart from language & soft skills for 5hrs/ day, during 45 to 60 days training, ensuring a minimum of 200 contact hours.

Trainees will be encouraged to apply for MUDRA loans with a orientation on the Banking procedures, during the last week of the training program.

URBAN centers having capability to handle multiple batches in a year from 2021:

Hyderabad , RangaReddy , Medchal , Sangareddy, Warangal (Urban), Siddipet , Mancherial , Karimnagar & Khammam.

TRIBAL AREAS :

KB Asifabad /Adilabad, Bhadradi, Mulugu/Bhupalpalli, Chennaram (Nagarkurnul), & Plain areas (ST population) in Mahabubnagar / Medak

2. RVTC/VTC, skills imparted:

Computer based: MS office, Tally GST, Data Science, Mobile Servicing
Mahila Training: Maggam, Tailoring & Fashion designing, Beautician, Bed side Assistant etc

3. No of Batches: Total for the period from 1st April 2019 to 31st December 2020 = 10

4. No of Beneficiaries: Total = 200

Gents: 40 Mahilas: 160

SRI SATHYA SAI SKILL DEVELOPMENT PROGRAM

**FREE !
TRAINING ON
WEB DEVELOPMENT**

For GIRLS only

Course Duration: 45 days

Classes will be from 03-03-2020 to 10-04-2020

Class Timings: 9 am to 3 pm

Lab Timings: 1st Batch: 11 am to 2 pm
2nd Batch: 3pm to 4 pm

ELIGIBILITY:

- Any Unemployed Graduate
- Age upto 28 years
- Candidate should have computer knowledge
- Only for GIRLS

ENTRANCE TEST & INTERVIEW:
Date: 01-03-2020 (Sunday)
Time: 9 am
Venue: Sivam, New Nallakunta, Hyderabad

TECHNOLOGICAL SKILLS TO BE ACQUIRED:

- HTML 5
- CSS
- JS / JQUERY
- PHP BASIC
- PHP ADV.
- DBMS
- MYSQL
- WORDPRESS
- PROJECTS
- LIFE SKILLS

WEB DEVELOPMENT AS CAREER

Web development is a career option for girls who are interested in learning how to create and maintain websites. It is a highly skilled and in-demand profession. The course will provide you with the necessary skills to become a web developer. You will learn how to create websites using HTML, CSS, JavaScript, PHP, and MySQL. You will also learn how to use WordPress to create websites. The course will also cover life skills training to help you become a successful professional.

CHAPTER – 13 : PLANTATION OF DHYANA VRUKSHA SAPLINGS

“AUM SRI SAI SADHAKANUGRAHA VATAVRUKSHA PRATISTHA PAKAYA NAMAH”

Every Act of the Avatar is predetermined with the goal fixed and unshakable. Our loving Lord Bhagawan Sri Sathya Sai Baba took a small step in the year 1959 on 29th of June, planting a Banyan sapling on the hilltop placing underneath a Yantra created by Him from thin air.

This grew into a massive meditation tree giving solace to numerous Sadhakas in the past years and continue to help devotees connecting Swami even today. But this was not just the end of His Leela as we see things unfolding in a miraculous way whereby by around 5000 saplings made out of the sacred tree are going to be planted in the nook and corner of the world.

These saplings in turn will grow into vast meditation trees in the future and will stand as a testimony to the Divine Legacy of the Avatar. It is in this context that we are to prepare ourselves for the dawn of a new era and plant the saplings in various centers /locations of our states with utmost devotion and care.

The following points may be looked into while undertaking this seva to maintain the sanctity and uniformity.

- 1.The plants should be carried from the Prasanthi authorities in a ceremonial manner with collective chanting of Sai Gayatri.
- 2.It was advised by the All India President, to carry the saplings from Prasanthi Nilayam before the 95th Birthday of Bhagawan Sri Sathya Sai Baba so as to plant them as part of 95th Birthday Celebrations.
- 3.While placing indent for the saplings care should be taken to ensure that the place of plantation is located in our centre precincts, the property is not encroached one or subject to eviction by the authorities in future, the place is serene and not a crowded one Etc.
- 4.The devotees of our states should be encouraged to do LikhitaJapam with added vigour. These books will be placed under the saplings in a big pit.
- 5.An auspicious date and time should be decided in advance for the plantation ceremony uniformly across the state.
- 6.A small Homam may be organized with the Sai Gayatri chanted by the devotees continuously.
- 7.A name plate 2’x1’ made up of tin should be prepared with the name ‘DHYANA VRUKSHA’ and be dug near the tree.
- 8.The LikhitaJapam books should be bound in a red cloth of 20 books each in one cover and the bundles should be placed neatly in the pit amidst chant of Sai Gayatri
- 9.Vibhuti, Turmeric, Kumkum Etc. should be spread over those books. Then the pit should be covered.

Dhyana Vruksham –

SSS Vidya Vihar, Hyd

10. Similarly with Bhajan and chanting going on the saplings should be brought from the sanctum sanctorum and be planted putting Vibhuti and sprinkling water on them.
11. Proper arrangement must be made to save the sapling from cows and goats.
12. One responsible devotee should be in charge of taking care of the sapling.
13. Once the sapling grows into a sizeable tree, a circular 'mandapam' may be made to enable the devotees to sit comfortably and do Dhyana.
14. The State Organisation will keep a record of all the trees planted at different locations and monitor their growth.

Dhyana Vruksham 04-01-2021 Peddapalli

Dhyana Vruksham Bhadradri – Kothagudem 2021

CHAPTER – 14: SRI SATHYA SAI VEDADHYANAM

With the Divine grace of Swami, the TS Vedam team was blessed to carry out the following activities during the COVID period under Spiritual Wing of our State.

1. **Vedam Training** for about 5 batches of Bala Vikas Teachers over a period of 4 months since Mar'2020. About three classes per week were conducted and the vedic chants from the national Vedam syllabus were taught. During the other days practice sessions were conducted by the district Bala Vikas coordinators so that the learning will be more robust and at a faster pace. Vedam team had an opportunity to train about 75 Bala Vikas Gurus by swami's grace and look forward for more such sessions

2. **National Online Veda training Sessions – Sri Sathya Sai Samyukta Sruthi Sreni**

For the first time across SSSSO formal Vedam sessions were planned for the youth across the nation Online registrations were taken. About five thousand enthusiasts across the country got registered. TS state was blessed to have the third highest registrations across states with about 250 registrations. These participants were divided into batches of nine members, About 15 batches for ladies and about 12 batches of gents were formed.

About 13 vedam trainers cum resource persons got selected by the national core team for training these participants from the state. These trainers were given awareness sessions on vedic Sanskrit, grammar along with the nuances of teaching and conducting Vedam classes.

As a state team we were blessed to have the State Vedam coordinator and two other resource persons participate in the core team responsible for preparing the Training manuals for the trainers and the learners. Weekly twice training classes are being conducted without break since 2020 gurpurnima. Sri.Krutiventi Anil Kumar, Sri Chakradhar, Sri Harinath, Sri, Krishna Dinesh, Sri Sethuraman, Sri Vishnu Sudheer are rendering services from gents side . Smt. Palepu Sailaja, Smt Saraswati Charan, Smt Lakshmi Kantam, Smt Surekha, Smt Swethi Basutkar, are rendering services on the Mahila's Side.

About 100 participants from these have completed the first level of training and now learning the second level of vedic hymns. By sheer grace of Bhagawan, from these about 20-25 members are likely to become trainers with swami's grace and this will double the current certified trainers' team in the state

3. Parallel to the Srutisreni classes there are also satsang sessions conducted once a month exclusively on the Vedic literature based topics under the Gama-Agama series. Members of the State Vedam team is blessed by having the opportunity to participate in this as speakers and as coordinators for this program by swami's grace
4. Owing to the regional influence of the dialectical based language pronunciations there is a continuous challenge for the learners and chanters to master and pronounce the vedic hymns in correct manner. To help the chanters and learners overcome this with swami's grace the state Vedam team was able to start daily online Vedam classes from 16 Nov'2020. About 500 enthusiastic participants got registered for these daily classes at state level over and above the training under the national scheme. The love for following swami's command was so visible and heartening in the process when we had registration of people from six years to eighty years .
5. Learners are classified into 4 age groups – under 18 years, 18 to 35 years age group, 36-50 years age group and above 50 years age group. About three teaching sessions and two practice sessions are being conducted by swami's grace since 16 Nov 2020 .

6. Sri V.Sri Gaytri Sharma, Sri Adarsh, Sri Nanda Kumar, Sri Vyomakesh, Smt Uma Maheswari, Smt Vasavi, Smt T Padma, Smt Madhavalatha, Smt Bandhavi, Smt Sobha are rendering their services at the divine lotus feet of swami. Skilling aspects of chanting are being focussed in these classes from basics so that the learners can pick up the art of chanting vedic hymns in a correct manner.
7. It is heartening to have participants from Germany, and America for these classes. About 150 Participants have successfully completed the level one and now learning level two hymns from the national Vedam syllabus. Again from these about 25 members are likely to be of trainer grade. With swami's grace this will again add up to the certified state Vedam trainers number to about 60-70 by next year from the 10 members when these activities were started
8. As part of veda poshana activities across all active samiti's all over the state Vedam chanting has become a necessary and compulsory activity and prerequisite before daily and weekly bhajans. With the help of spiritual coordinators this practice is planned to be taken to other samitis as well by providing the audio players and recordings of the vedic hymns
9. As part of Bhagawan's centenary celebrations across the TS state about 100 Ekadasa Rudrabhishekams along with Mahanyasam are planned and being conducted. These are being conducted since Dec'2020 uninterruptedly
10. About 8-10 districts are being identified which have a base of vedic chanting. For these districts District Vedam coordinators are identified and assigned so that the practice sessions for learners will happen continuously to facilitate the learning of vedic hymns all through the year. This will continue till the birth centenary celebrations with focus so that across all districts we will have a Vedam chanters team for each district and from there it will be propagated and sustained with grace of Bhagawan.
11. The planting of the Vatavriksha saplings (Dhyana Vriksha) which were obtained from puttaparthi was taken up across the districts. State Vedam team was blessed to participate in these and guide the same by way of facilitating the sai gayatri homams and other rituals as part of this sacred activity
12. In the village of Wyra, Khammam district the soft launch of Sri Sathya Sai Veda Sastra Pathashala was performed with pure grace of swami. About 25 students were identified. These students are being given training in basic Bala Vikas and Sri Sathya Sai Education till the completion of Moddham after which the formal syllabus of Vedam will be taught inline with the Sandeepani National Vedic University norms. Efforts are being made with swami's grace to teach the students Computer programming and Vedic maths apart from the academic and vedic syllabi. Sri Samba Murthy garu and Sri Sudhakar garu are actively involved in this service and offering their yeoman service at Bhagawan's lotus feet.

CHAPTER – 15

SRI SATHYA SAI NATIONAL LEADERSHIP PROGRAM (SSS NLP)

Certificate Program in Sri Sathya Sai National Leadership Program

17 Jan 2021

“Leader is one who understands the spirit of service and sacrifice”

A Value-based Diploma programme for the Young adults highlighting the importance of Individual Character for Nation Building built on a solid foundation of Self Mastery.

The aim is to conduct a value-based, character-oriented as a program – a diploma course, which will cater to graduating or just graduated college students. While empowering the participants with key everyday professional skills, we will also be highlighting the importance of Individual and National Character, the need for social responsibility (i.e.servitude) ... all built on a solid foundation of Self Mastery. Through this program, the Sai Organisations wishes to spread the message of Bhagawan Sri Sathya Sai Baba so as create awareness amongst the emerging youth leaders about their responsibilities to Self and the Nation the Core objective is to help the participants realize their self and lead a path of Spirituality.

The six-month program will culminate in a real-life, hands-on project which will not only focus on the participant’s local issues but will also give the participant an opportunity to practice all their learnings.

Month of Giving & Forgiving
24th March to 24th April – A period of Spiritual Awakening

Worshipping the Lord using our body (patram) as the leaf , our heart (hridaya pushpam) as the flower, surrendering the fruits of our actions (phalam) and wiping the Lotus Feet with blissful tears (toyam) is meant to be the truest form. To worship the Lord, one need not look at the elaborate paraphernalia spread outside, few moments of looking and seeking the Lord inside would suffice. Purity of heart is the only prerequisite to make an offering to Bhagawan. When His messages are internalized and followed, purity automatically sets in.

It is now time for us to offer as flowers at His Lotus Feet, by living HIS messages day by day treading on the path which has already been laid by Him. Every year from 24th March to 24th April each day a Sadhana (spiritual practice) is undertaken to be followed that day.

Let us listen to the Awakening call from the All India President of SSSSO, India- Sri. Nimish Pandya, to celebrate the month of “Giving and Forgiving” and express our love to Bhagawan. To learn to give and forgive is the very basis of human life. To give back to the entire creation of God what we receive and to share love with the fellow human beings, without any hatred. All glory to our dear Swami who kindles our being to wake up to this time-period which is to dawn upon us as the Awakening Month.

May we pray to dear Bhagawan to guide us on His path enabling us to become worthy flowers in His Garden to reach His Lotus Feet. Each calendar day has a specific task for the day to be followed with love for Bhagawan. A wonderful opportunity for every Sai devotee to take up this Sadhana, follow it earnestly and offer it at the divine Lotus Feet.

Baba has always said,” Take one step towards Me, I will take hundred towards you”. So is not that easy, just a tiny step forward to make a leap closer to the Lord. To realise that beauty of Oneness, which is the ultimate goal of human birth, is facilitated by fragmenting one big step into tiny little steps in this month-long spiritual practice. Let us get started with prayers and devotion to our beloved Swami and with the fullest commitment which are eventually to become our way of life.
